Dear Mrs. Galvin, Dr. McShane, Dr. Curcio, and Dr. Szatkowski,

On behalf of the Centro Cristo Rey del Niño y Adolescente (CCRNA), I would like to personally thank you for your generous contribution of the toothbrushes, toothpaste and stickers. Your support is instrumental in fulfilling our mission.

Several children at CCRNA come from poor and abusive families who are unable to feed their children sufficiently each day. These children come from homes where they lack the basic necessities like running water and a working toilet. They also do not have the means to attend to medical needs. Thanks to you, the CCRNA is able to help improve their health and teach them about the importance of oral hygiene.

THANK YOU!

Your donation is making a positive difference in a number of children's lives in Tacna, Peru.

Thank you again for your donation of toothbrushes, toothpaste and stickers. Your generosity and commitment are invaluable to CCRNA and the children and adolescents of Tacna.

Sincerely,

Father Emilio Martinez, SJ
Director
Centro Cristo Rey del Niño y Adolescente

Dr. Curcio, and Dr. Szatkowski,

out everything to all the children!
We greatly appreciate your support!
Thanks again,
Joanna Lucca
